

Workers' Compensation

**VTC INSURANCE GROUP AWARDED
PLATINUM AGENT STATUS BY CAMCOMP.**

VTC Insurance Group is Honored to be Designated a Platinum Agent with CAMComp.

The Construction Association of Michigan Workers' Compensation plan (CAMComp) is a group self-insurance program designed specifically for the construction industry. CAMComp focuses on fostering high levels of workplace safety, helping to maintain lower premiums. They also invest those premiums, and at the end of each year if premiums exceed claims paid, CAMComp returns the difference to group members.

VTC Insurance Group is noted for its highly customized solutions to risk management, workers compensation coverage and surety needs. We are proud to include CAMComp among the innovative providers we offer to our customers.
